

Call for Participation

We invite you to join us in **12th International Conference on Computer Science and Information Technology (CSIT 2025)**.

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computer Science and Information Technology. The Conference looks for significant contributions to all major fields of the Computer Science and Information Technology in theoretical and practical aspects. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of CSIT 2025 includes:

- 11th International Conference on Software Engineering (SOENG 2025)
- 14th International conference on Parallel, Distributed Computing and Applications (IPDCA 2025)
- 13th International Conference of Security, Privacy and Trust Management (SPTM 2025)
- 6th International Conference on Advanced Machine Learning (AMLA 2025)
- 11th International Conference on Data Mining (DaMi 2025)
- 11th International Conference on Artificial Intelligence and Soft Computing (AIS 2025)
- 6th International Conference on Natural Language Processing and Applications (NLPA 2025)
- 11th International Conference on Image Processing and Pattern Recognition (IPPR 2025)
- 6th International Conference on Big Data and Applications (BDAP 2025)
